

NOTICE OF INCREASE TO STAFF ACCOMMODATION RENTAL CHARGES

23rd May 2024

Dear Agency / Resident / Occupant,

I am writing to inform you that in accordance with the Terms and Conditions set out within the Tenancy Agreement (and Licence to Occupy), the Trust will be applying an annual uplift to the rental charges for all staff accommodation room types. Rental rates vary by room type/site.

Effective from the 1st July 2024.

Please Note:

Any bookings processed on our systems that cross the uplift date may automatically see multiple invoices to reflect the rental price differences, those that do not will be manually changed in the following months to reflect the rental increases.
